EDUCATION

Web Developer
Software University, Sofia, Bulgaria
2017-2019

ABOUT ME

Passionate and dedicated software developer with over 2 years of experience, devoting most of my free time to mastering new technologies and focusing on possible areas of improvement via taking part in various seminars or/and workshops

Highly motivated with attention to details and professional attitude. A witty guy with easy-going personality, high integrity and a strong team player.

EXPERIENCE

.Net developer

Parkbee/ Amsterdam, Netherlands/ 2021 - now

- Microservices environment with **RabbitMQ and RestEase communication**
- **Implementation** of features via **.NetCore, Angular, Mongodb**
- Integration with third party applications (**Dynatrace, Keypay** etc.)

Web Developer
